

**EXHIBIT G: Public Disclosure of MPD Officer Role in Loudermilk-Loomer
InterviewUnited States v. Young, No. 1:23-cr-00241-TSC-GMH**

December 2023

Purpose: This exhibit documents the public disclosure of MPD officers directing crowds on January 6th, predating the July 2024 sealing in Young’s case, highlighting the arbitrariness of Judge Harvey’s suppression under ECF 170 (EXHIBIT C).Key Quote from Rep. Loudermilk (Interview with Laura Loomer):“The video that you're showing right now is something that has been out on Rumble... It shows GoPro footage from a plain-clothes MPD officer... Keep going!” (Loudermilk-Loomer Interview, December 2023, confirming MPD officers shouting directives like “Go! Go! Go!” to crowds).

Context: In the interview, Loudermilk confirms plain-clothes MPD officers were present and directing protesters, corroborating excluded MPD footage and the proposed witness in Young’s case. This public information (available at [e.g., rumble.com/v2663mg or loomered.com]) predates the sealing, yet Harvey and the prosecution did not apply Hubbard balancing until compelled by Young’s motion (ECF 170, EXHIBIT C).
